Good afternoon, everyone. I want to tell you about a farewell party for Mr. Brown. He is going back to his country on the last Sunday of this month. We want to have a party before he leaves, so we decided to do it on Friday, February 20th. The party will start at 4:00 p.m. in classroom 210. Everyone is welcome. There will be some juice, tea and a big cake because Mr. Brown likes it. We will sing some traditional Japanese songs for him. If you know the songs, let's sing them together. Please come to the classroom and write your message on the card before the start time. We hope many students will come to the party. Thank you.
