Mary is a junior high school student in Japan. One day, she went to Midori Park with her *host family. Now she is looking at the pamphlet of the park and writing about the day in her diary.

Diary

Sunday, August 15

Sunny

Today, I went to Midori Park with Mr. and Mrs. Kato, and their son Takumi. We went there by car.

Midori Park is famous for beautiful flowers. We walked around the park and enjoyed seeing many kinds of flowers there.

In the park, there is a new zoo for children. Takumi is three years old and he likes animals very much, so we also went there. Takumi saw and touched small cute animals.

After that, Mrs. Kato and I went to Midori Museum in the park. We saw many beautiful *paintings of flowers. I'm interested in art, so I was very happy when I saw them. Takumi and Mr. Kato didn't go to the museum with us because looking at pictures was a little boring for Takumi.

Midori Park is a nice place. I want to go there again with my host family and friends.
