問題(ウ)

Hi, everyone. I went to a concert with my brother last Sunday. It was held at the concert hall in Minato Department Store. Minato Department Store has two buildings, West and East. The concert hall is on the seventh floor of the West building. When we arrived at the department store, it was just opened. The concert was from 11:00 a.m., and we had an hour before that. We enjoyed looking around the shops until then. I bought tennis shoes and my brother bought a dictionary on the sixth floor. Then we went down to the first floor to buy something to eat before the concert. My favorite band played at the concert and it was very exciting. We had a great time there. Thank you.
