

問 8 次の英文を読んで、あとの(ア)～(ウ)の問いに答えなさい。

*Saki, Ryo, Mike, and Cindy are junior high school students. They are looking at information about Minato Town on the Internet and talking about their group activities on the \*field trip.*

**Saki :** Our field trip to Minato Town is next Wednesday. I can't wait.

**Ryo :** Yes, but we have to make our plan first. Where do you want to go, everyone ?

**Mike :** I want to go to Suzume-ga-oka. It is the highest \*hill in the town and located near the sea, so we can enjoy seeing the town of Minato and the beautiful sea from the top.

**Cindy :** Minato \*Aquarium looks nice to me. It has over 1,000 sea animal species, and we can't see some of them in other parts of Japan.

**Saki :** Minato Art Museum has a lot of \*artworks. It's especially famous for various \*artistic chairs, and we can sit on them. I really wanted to visit it, but it isn't open on Wednesday. So, I \*suggest Minato History Museum. I think studying about life in the town and local history is important. How about you, Ryo ? Where do you want to go ?

**Ryo :** I want to go to a temple or a shrine and buy a \*good luck charm because we have high school \*entrance exams next year.

**Mike :** I see. Oh, look ! There is a shrine on the top of Suzume-ga-oka. We should go there.

**Ryo :** You're right. Then, let's think about a plan to visit the aquarium, the museum, and the hill.

**Cindy :** We will leave Minato-hama Station at 10:00 a.m., \*right ?

**Saki :** Yes. And we have to return to the station at 5:00 p.m.

**Cindy :** Minato Aquarium is the closest to the station of the three places. I think we should go there first.

**Mike :** But, wait. There is a \*special event at the aquarium at three in the afternoon. Don't you want to join it ?

**Cindy :** Oh, some \*tanks \*are lit with various colors at the event. It sounds wonderful. Yes, I'd like to see it.

**Ryo :** Then, let's visit the museum first. After that, we will have lunch. Are there any restaurants near the museum ?

**Mike :**  How about eating at the top of Suzume-ga-oka ?

**Ryo :** That sounds good to me.

**Cindy :** Thank you, Saki. I want to try them.

**Mike :** There are three ways to go up to the top of the hill: the bus, the \*cable car, and walking. The cable car is the most expensive, and there is only one \*per hour.

**Ryo :** But I think we can enjoy the view from the cable car, and the \*schedule says one leaves at twelve. Let's take that.

**Saki :** That sounds good.

**Cindy :** I think so, too.

**Mike :** OK. Let's go with Ryo's idea. How should we come down from the top? I think walking is better.

**Cindy :** If we have a lot of time, that's good. But if we don't have time, let's take a bus. We have to get to the aquarium before three.

**Mike :** I see.

**Ryo :** Then we can enjoy seeing a lot of sea animals until about 4:30 p.m., because the aquarium is near the station. We've decided everything.

**Saki :** I think our plan is perfect.
