Hello, everyone. I'm Kate. Today we are going to  
 show you around our town. We'll visit three popular  
 places in our town. First, we'll go to the stadium to see  
 a baseball game of our school team. It's one of the  
 strongest teams in our town, so I'm sure you'll enjoy  
 it. Next, we'll visit a science museum. After having  
 lunch at a restaurant at the museum, we're going to  
 take you to the city gym. We will stay there one and a  
 half hours, and you can try some sports if you like. I  
 hope you enjoy the tour.
