 Kenta: Yes. My father brought me here. I was thinking of coming by bike, but it was raining. So I asked my father. How about you?

問題(ウ)

Good morning, everyone. As you know, we will have our school festival on November 23. What will our class do at the school festival? Thank you for answering the question, "What do you want to do at the school festival?" I want to talk about it today. The most popular answer is "Dance," and the next one is "Chorus." Eleven students answered "Play," in Japanese or English. And five chose, "Play in Japanese." Three students want to show "Magic." The number of students with the answer of "Dance" was the largest, but not more than 20, half of the students in this class. So I think it is good to choose one from the top two, dance or chorus. Next week, I will ask you again, "Which do you want to do at our school festival, dance or chorus?" You can find out more about our school festival on our school website. Please check it. Thank you.
